MINI-SERIES

DIRECT EDITION

This is almost  
as cool as being able  
to lick myself

It's Garfield's first time in a video game. And he went and got himself trapped in a world of late-night B movies like *The Curse of Cleopatra*, *Count Slobula* and *Catsablanca*. Without you, he's stuck there. As you romp through each scene you'll find plenty of new weapons, bad guys, and eye-popping graphics drawn by Garfield's animator, Jim Davis. You'll jump, scratch, and weasel your way out of some potentially nasty situations. And if you're good enough to get Garfield back to reality, he might just teach you how to do that bathing with the tongue thing.

## IT'S THE END OF THE BATTLE--BUT NOT THE WAR!

**T**his issue, of course, tells the tale of Tails '(try saying that three times fast!) and the **Downunda Freedom Fighters'** defeat of the evil Crocbot and signals the end of Tails' mini-series. But let's have no sorrow, woes or "oh-no's," because every Freedom Fighter fan can always look forward to more of the high-flying fox's battles against the forces of Dr. Robotnik each month in the pages of **Sonic The Hedgehog!**

I hope you enjoyed all the fun and excitement everyone involved put into these issues including the introduction of not one but **two** new teams of Freedom Fighters. Would you like to see more of these new Freedom Fighters in future stories? Would you like to see another Tails mini-series? How about an ongoing monthly Tails series? I Write to the address above and let us know.

Before I sign off, I'd like to thank "everyone involved" who worked so hard to bring you the adventures of Sonic's best bud: Mike, Dave, Harvo, Mindy, Barry, Spaz, the guys at Heroic Age and Jennifer at Sega -- you all get a Freedom Fighter salute!

Till we speak again in the pages of Sonic's comic...

P.S. Speaking of Sonic, you don't really think I'd sign off before telling you what our favorite hog boy is up to, did you? On sale right now is **Sonic #31** featuring the return of **Geoffrey St. John** from the Princess Sally mini-series. On sale January, 1996 is **Sonic #32** featuring the return of **Muttski!** And during February, 1996, be on the lookout for the blue blur's next 48-pg Special...**SONIC VS. KNUCKLES!**
